If any such action or claim is made, the Subscriber will promptly notify and cooperate with Elsevier. This indemnity obligation shall survive the termination of this Agreement.

6.4 *Limitation of Liability.*

Except for the express warranties and indemnities stated herein and to the extent permitted by applicable law, in no event shall Elsevier or its suppliers be liable for any indirect, incidental, special, consequential or punitive damages including, but not limited to, loss of data, business interruption or loss of profits, arising out of or in connection with this Agreement, or shall the liability of Elsevier and its suppliers to the Subscriber exceed a sum equal to the Fees paid by the Subscriber hereunder, even if Elsevier or any supplier has been advised of the possibility of such liability or damages.

SECTION 7. GENERAL.

7.1 *Force Majeure.*

Neither party's delay or failure to perform any provision of this Agreement as a result of circumstances beyond its control (including, but not limited to, war, strikes, fires, floods, governmental restrictions, power failures, telecommunications or Internet failures or damage to or destruction of any network facilities or servers) shall be deemed a breach of this Agreement.

ELSEVIER SUBSCRIPTION AGREEMENT
Schedule 1.1
Journal Collection(s)

Journal Collection(s):

Freedom Collection: Electronic access to the full text of all articles from the Elsevier journal titles published since 1 January 2005 set forth in the Freedom Collection Journal Title List at <http://www.info.sciencedirect.com/content/journals/titles/#freedom>, as may be updated annually with the changes effective as of 1 January of the following calendar year of the term of the Agreement.

Option to Substitute Subscribed Titles

An Institution may substitute any of its subscribed journal titles identified on Annex A (“Subscribed Titles”) with one or more journal titles of total comparable value (in current year list price) once annually upon notice to Elsevier by 1 August prior to the start of the next calendar.

Option to Substitute or Refund Withdrawn Subscribed Titles

An Institution may substitute any withdrawn Subscribed Title with one or more journal titles of total comparable value (in current year list price) at any time upon notice to Elsevier. In the event that no substitute journal title is available, Elsevier shall refund to the Subscriber the amount of the Fees paid for the withdrawn Subscribed Title for the remainder of the term.

Access to Formerly Subscribed Titles

Upon termination of all of an Institution’s annual subscriptions on ScienceDirect online, the Institution may, at its option, (1) acquire, load and technically format on a server that enables access and use by its Authorized Users an electronic copy of all or part of its Subscribed Titles for the publication years paid for cost and/or (2) continue to access such Subscribed Titles online for an annual access fee based on the number of full-text articles downloaded from such titles during the prior twelve (12) months at a rate of €0.063 per download (adjusted annually for inflation and cost increases), in accordance with the usage provisions of this Agreement, which provisions shall survive the termination of the Agreement. Elsevier shall make available for inspection by a duly authorized auditor of the Institution, at the Institution's sole expense, the records concerning the calculation of the annual access fee one time per year during regular business hours upon thirty (30) days written notice to Elsevier. The electronic copy may not contain links and other features and functionality associated with the online version. If a particular Subscribed Title is withdrawn by Elsevier or not renewed by the Institution, but the Institution remains a ScienceDirect online subscriber, the Institution may continue to access online, at no additional charge, such formerly Subscribed Title for the publication years paid, provided that Elsevier continues to hold the electronic rights thereto.

Deep Discounted Price for Print Subscriptions

Provided that the Fees have been paid, the Institution shall have the option to place orders for annual subscriptions to a selection of Elsevier print publications at a price reduced from the list price (“Deep Discounted Price” or “DDP”), as identified in the Deep Discounted Price catalog, by 1 August prior to the start of the next calendar year from the Publisher directly and from only one (1) authorized subscription agent, which shall be selected by the Subscriber, and the Publisher will fulfill such orders in accordance with its customary practices. The Consortium shall cause the Institution to notify Elsevier of its subscription agent’s contact information upon placing such orders. The Institution may change its subscription agent no more than once annually by giving Elsevier notice by 1 August prior to the start of the next calendar year. The Institution will not place orders for such DDP subscriptions on behalf of any other person or entity or with the intent to resell, rent, license, lease or otherwise transfer them to another person or entity.
